*With his name meaning the Bliss of Experience, Swami Anubhavanadji embodies that essence, and his life's journey has been to teach us do just that: Live life by learning from each and every experience. Swamiji is an embodiment of ever-flowing happiness, love and wisdom. Traveling across all the five continents through the year, Swamiji spreads the message of Vedanta to the seekers from various backgrounds, and languages to help them gain valuable insight into the Vedic knowledge. For further information on Swamiji's teachings, please visit <https://www.smilingswami.com>*
